

Options Charter School - Noblesville

Student/Parent Handbook

ATTENDANCE: We expect all students to have a 95% attendance rate or higher. The school must be notified by 11:00 AM on each day of the student's absence. It is **required** that the parent/guardian make this call.

Consequences of Absenteeism:

One criteria of a student's success in school is regular, punctual attendance. The full benefit may be derived only from maximum participation in class activities. **If attendance in class falls below 80% he/she may lose the opportunity to earn credit in that class.**

Students may not be given an opportunity to make-up assignments in classes they have missed due to unexcused absences/truancies.

Some strategies to address chronic absenteeism may include parent conferences, behavior plans, or additional assigned time before or after school.

News and Notes from the Principal

We have reached the 6-week mark of the second semester. From now until spring break is the toughest stretch of the year. Students struggle with their grades during this time every year. I encourage you to talk with your student each week about their grades and what they are working on. You should all have access to your student's grades through PowerSchool. If you have not used PowerSchool yet or are having trouble getting your student's grades, please call Kim at 317-773-8659 or e-mail her at ksams@optionsined.org.

Thank you,

Jacob Brandau
Principal
