

OPTIONS WEEKLY

Pennies for Patients

At this point in Pennies for Patients, we have raised \$152.48 as a school! We have one week left so let's finish strong!

The advising totals at this point are as follows:

Jessica \$73.05
Blake \$44.11
Wally \$16.98
Christina \$13.60
Gretchen \$2.93
Jeff \$1.59
Angie \$0.22

Gretchen Taylor
English Specialist

Taste of Carmel

The Taste of Carmel went well. The program had multiple banks, restaurant, small business, senior housing, and Education Schools. Danny Jimenez had a table for Options Charter School. He had a lot of foot traffic and positive feedback.

Thank you Danny for working so hard to represent Options Charter School.

Student Clubs:
Tuesdays— Games Club
3:00-4:30pm
Thursdays—Chess Club
3:00-4:00pm

Michelle Walden– Interim Principle

Students visit our Statehouse for School Choice Week: Christina took students to the Indiana Quality Education Network's Pack the Statehouse event on Monday, January 25 to celebrate School Choice Week. This week in January, each year, is dedicated to help our Indiana legislators know how much we appreciate the school choice laws in Indiana that support parents and students making the best decision for where their students go to school. We had the opportunity to meet Senator Delph and personally thank him for his service as well as tour the Statehouse and hear some great speakers.

Calling all 10th and 11th graders interested in taking industry certification courses next year! Ivy Tech in Noblesville has a brand new program opening in the fall of 2016 and enrollment is now OPEN! This program allows students to take their afternoon classes at Ivy Tech in one of four CTE programs, Design Technology (CAD), Building Construction Technology (NCCER Certification), Visual Communication, and Computing & Informatics. This program will not only help students earn industry certification AND college dual credits but is also relatively FREE! The cost is only that of textbooks and supplies! Options will also be helping with transportation. Please contact Christina, criley@optionsined.org, or your student's advisor TODAY to get signed up. Spots are VERY limited and will fill quickly.

Below is a picture with Christina, Joel, Senator Delph, and Adam
